SENIOR CLASS HISTORY

September 7, 1926, a group of ambitious students passed through the portals of Lehighton High School to begin the first stage of their high school career. This class numbered one hundred and thirty-three. Their first class meeting was called by Mr. Stofflet, the faculty advisor, on October 19, for the purpose of organization. At this meeting the officers were elected and a flower and motto were adopted. The only social event of the year was the Hallowe'en party held in the gym. The class was well represented in interclass basketball although neither team won a championship. They also entered the annual Hallowe'en parade and received favorable comment on their first undertaking.

One hundred and fifteen members of the class came back in the fall of 1927, to enter the Sophomore class. As Sophomores, they made a good showing in athletics. Four girls and five boys made the varsity basketball teams. In varsity baseball three members of the class were on the team, while in football one member of the class was on the varsity. Two members of the class were representatives on the gym team. On November 19, the Freshman Sophomore football game was played. After a hard struggle the Freshman team won by a 13 to 6 score. In interclass basketball the boys' team played two games and won one. The girls, however, were much more fortunate. They played two games and won both of them. The class was also fairly well represented in the orchestra and band. They took part in the Hallowe'en parade and benefited by the previous year's experince.

In September, 1928, one hundred and ten members of the original class of one hundred and thirty three returned for the third stage of their high school career. The class was still more fortunate in sports by having six boys on the boys' varsity basketball team, and five on the varsity football team, four girls on the girls' varsity basketball team, and one boy and one girl on the gym team. In interclass basketball the boys came out second having played three games, lost one. The girls again won every one of the three games played. After some very spectacular playing the class football team, headed by Wesley Kreidler, won the Sophomore-Junior game. All these things were great in their way but a greater task lay ahead, the publishing of the annual yearbook. To raise money for the yearbook, on January 10, 1929, the annual Junior Class play was given. The play rendered was "Seventeen," by Booth Tarkington. As an added source of revenue the class opened a candy stand which was still more popular and successful than the refreshment stand at the Fair and games. The class entered the Hallowe'en parade and won second prize. It was the great work upon the part of the staff and the earnest efforts of the class to raise the money that made the 1930 Gachtin Bambil the largest and most successful that was ever published in L. H. S. The social event of the year was the "Hobo Party." At this novel party everyone (even the teachers) had to come dressed as hoboes.

HELEN ARMBRUSTER

We don't know much about
Helen,
Though we know she likes
to skate;
We wish her the very best
of luck,
In selecting her future
mate.

HAROLD BALLIET

As a pioneer bold in days of
old,
"Balliet" loves the out-
doors;
Like Boone he knocks his
opponents "cold,"
While studies to him are a
bore.

JAMES ASHNER

"Jimmy" is taking the com-
mercial course,
In business to make his
debut;
For a "Mexican Athlete" can
make things worse
Than most others usually
do.

ALVIRDA ARNER

What will "Virday's" future
be?
Of dresses she'll be a mak-
er;
But we know her husband
true
Is, and will be—a baker.

Married to
Kermit Ginder

MAE ARNER

Mae's so sweet and modest,
You can bet she is;
But she can groan the loud-
est
When we have a quiz.

HAYDEN BEGEL

Tall, slim, handsome, fair,
"Haydie," the boy with the
slick blonde hair,
Tickles a pretty fast clarinet
key,
In our senior high school
orchestree.

EVAN BEERS

"Zulu," trombonist and student,
Is a good sport all the way thru;
He can also be independent
'Cause he knows his lessons too.

MARGUERITE ASHNER

Though this girl seems "Sleepy,"
She sure is full of fun;
A sailor's sweetheart too, is she;
It's her cadet or none.

MARGARET BAUER

"Maggie" is our manager,
And other things at that,
With all the girls intelligence,
She does not seem "high hat."

Married

Married

ROBERT BLANK

Dodging, pivoting, swift, and sure,
"Bobby" shoots through the stalwart line;
Tho' football for him has a peculiar lure,
He certainly is stopped by "tangent" or "sine."

JAMES BEHLER

"Angel-face Daisy" with a beard like a board,
Comes from Big Creek in a little old Ford;
Although he is absent just once in a while,
When r a b b i t h u n t i n g comes 'round in style.

EMALINE BOYER

Emaline isn't quiet,
As some of us think she is,
But as a Home Ec. Teacher,
We bet she'll be a wiz!

HELEN BRELSFORD

Helen is a fair young maid
Who seems not quite repelled
By a Senior blond and bright,
Refer to Mr. Held.

LESTER BUCK

From outlying territory
"Bucky" hails,
A successful schedule to pass;
In inter-class sports he never fails
To hold up that end of the class.

GEORGE BRENNAN

A worn-out "Chevie" comes down the street
And stops before the building,
Then "Georgie" gets out—he saves his feet,
To ride he's always willing.

MARIAN BURKE

Here we have a future nurse
In a cap quite perky;
When you feel quite out of sorts
Pay a call to "Burkie."

LAVINA DIETERICH

"Ted" can pound piano keys;
That's her strength, you see.
She has one big weakness though,
Ask "Goof" how that can be.

DELPHIN CROWLEY

Anyone can argue about science
But "Delph" really knows his stuff,
For he argues with teachers, and pupils
Until they say, that's enough!

WILBUR CHRISTMAN

"Crispy" conducts an orchestra
And plays a cornet very well;
For he practices all his leisure time,
Or works on his car—do tell!!!

EVELYN DIEHL

"Diehlie's" among our brightest girls
In the Academic course;
In addition to all this learning,
She loves the outdoor sports.

ANNA DOUGHER

"Duke's" no longer Mary Pickford;
She cut her lovely curls,
But she won't let that hamper her;
She shines among the girls.

JOSEPH DIETZ

"Joe's" an accomplished artist;
He took commercial work.
Tho' he's always annoying the teachers,
He doesn't often shirk.

JOSEPH DEHAVEN

With his coal black hair slicked smooth and glossy,
"Joe" is shiekie but never bossy;
He comes and goes without much noise,
And usually hangs 'round with the "big boys."

EVELYN EBERTS

"Ebs" is one who does good deeds;
She's a high rater,
Wait—you don't know half of it;
She's a good debater.

LORETTA GAUMER

Loretta's one of our basket-
ball stars;
As a student she's won
many laurels,
But nothing interests her
quite so much
As a certain young man
named Charles,

Married

LAMONT EMERY

Dignified, business-like,
shiekie, and tall,
Is "Butch," the head of our
class;
He's about the best dressed
of us all
And popular with the
mass.

LEE DREISBACH

Lee, the champ potato grow-
er,
Studies his lessons quite
well.
Dignified, quiet, surely no
"blower,"
Scientifically, he'll farm in
some dell.

ANNA GERBER

Those who say that Anna's
quiet,
Know not what they're
about;
She wants to be a dietician
And will, we have no
doubt.

RAYDELLE GILBERT

Raydelle is proudest of her
men,
Especially one named
Harry.
She believes in stepping out;
We wonder if she'll marry?

Married to Arlene Rey

RUSSEL HAHN

"Peanuts," star forward for
L. H. S.
For three years played
varsity games,
He's always tried to do his
best,
And he sure did make a
name.

GENEVA GROW

To do some kind of favor,
"Gevie" goes out of her way;
But then she'd go the same distance
To see a Chevrolet.

WILMER HELD

"Heldie's" our editor-in-chief
Who fights his way through the women;
He's very bright and knows his stuff,
But in class he's always grinning.

ANNA GRAVER

Another Commercial student,
This one's name is Ann;
Doesn't bother the boys at school
Because she has "her man."

FRANCES HAAS

"Haasie" is an important girl,
Plays cello for our school;
She's used to doing services,
She lives the golden rule.

DONALD HOFFMAN

"Bullets," the whizzing wise-cracker,
Carries an awful mean line;
Although he may look like a safe-cracker,
To some women he's just divine!

DORIS HETTIG

"Husky" is one of our stronger girls
With lots of brawn and muscle;
We'll bet she can handle a rolling-pin,
We pity her poor Russel!

ARLENE HAUPT

Though "Porky" takes up lots of space,
She's worth her weight in gold;
She knows her lessons inside out,
In Chemistry she's bold.

JOSEPH HUBITSKY

Hunter, trader, and trapper,
"Joe" hikes from Packerton;
He knows his chemistry "a to z,"
And can tell it to most anyone.

JENNIE HUBITSKY

When Jennie puts her mind on things,
Her teeth she firmly grits,
We think that's part of the reason why,
At shorthand she's the "Ritz."

VERNA HOUSER

At night when she's to tend the store,
She says, "Oh yes, of course, I will;"
If Verna needs a little help,
A Buick comes from Summit Hill.

CALVIN KUHNS

"Cally" is about the best typist in class,
You ought to see all his awards;
Keep up the good work, you're pretty fast,
And you'll be going continually upwards.

ALMA KISTLER

Alma doesn't bother boys,
Though one on her imposes,
It's getting rather serious now,
He's started sending roses.

DOROTHY HEYDT

"Dot's" a very funny girl;
She laughs at what is said,
Except when someone teases her
About her boy-friend, "Ed."

ROY KERN

A model in the eyes of many young girls,
Is "Kerny," the shiek from the Heights;
In class activities always busy,
For he stays home and studies nights.

ARLENE KERN

"Toot" is the leader of our cheers,
To this we all admit;
But when her traveling salesman's home,
She makes the other guys "skit."

SARAH HANSEL

Sarah is quite new to us,
And new to all the town
But her intelligence and brains
Have gained her quick renown.

CURTIS MAY

Always sketching, girls especially,
"Curt" surely knows his curves;
A playwright he wants to be some day,
If he doesn't lose his nerves.

LOUISE KLINE

Louise's goal is teaching French,
That's something worth her while;
We want to study French because
She always has a smile.

MARION KLECKNER

A representative of dancing,
Our "Moxie" is the girl,
If something fancy you desire,
Tell her to do a twirl.

GEORGE METZLER

"Little John," our play near ruined
When on his horn he blast.
Thinking up new ones to always "pull"
Blow your own horn,
George, and you'll last!

WOODROW MILLER

"Danny" can usually be heard in the mass,
Tho' he's absent a lot from school;
But he's usually quiet in chemistry class,
'Cause he doesn't snore 'loud as a rule.

DOROTHY LAPP

When it comes to having fun
"Dot" is always ready,
She's very happy 'spite her troubles
With her boyfriend, Teddy.

CATHERINE KROMER

"Cats" is always in a Star,
In another won't be seen;
We wonder if it is the car,
Or this young fellow named Jene.

CLINTON MINNICH

"Rusty" seems rather quiet,
And nervous too, at times;
He usually can create a riot
By trying to get out rimes.

HELEN LEWIS

Helen is a country lass
But that's just telling half,
She's always getting into trouble
With her giggles and laughs.

MELVIN MOYER

"Sheriff" breaks up many a scene
And creates just twice as many;
His records are highest—in excuses,
As for cares, he hasn't any.

HAZEL MARKLEY

"Kid" is one more of our nurses,
She has heaps of friends;
To her happiness in future,
Each best wishes sends.

ARLENE MAY

This girl came here her Senior year,
Her name is Arlene May;
We all admired her very much,
And wanted her to stay.

HENRY MOULTHROP

As "Robin Hood" "Hennie" made a hit,
In sports he's always around;
And though at times he is slightly stiff,
He's always duty bound.

AGNES MANTZ

Somebody's stenog "Peggy" will be;
She always aims to please;
She takes dictation at a high speed,
And surely can tickle the keys.

LUTHER NANSTEEL

"Dewey" comes from Weissport,
He's little but he's wise;
And when it comes to Math. and Chem.
You just forget his size.

DORIS MILLER

"Dottie" is fond of reading,
She's musically inclined,
With all this girl's ambition,
Her place in life she'll find.

MARGUERITE MILLER

Marguerite has talents
Very few she lacks,
But her best achievement
Is playing on her Sax.

HAROLD RABENOLD

The manager of Lehighton High teams,
"Spunt," efficient and strict,
He's up near the top in studies and work,
As a student he is picked.

DONALD RABENOLD

"Two-date Dill" of the varsity,
Has a record of his own in sport;
But where he gets his inspiration:—
Whoa!! we ll steer for another port.

BLANCHE MOSSER

"Dip" plays forward for our class,
Yells ringing in her ears
Give her a good excuse to like
The leader of the cheers.

HANNAH PAPERMAN

Hannah is a worker fine,
And duties never shirks;
We know she'll be a big success
As one of Cohen's clerks.

GERALD ROTH

"Muggy" runs on our track team,
In baseball too he stands out;
You can see him ever in French class,
Trying to find out what it's about.

MARVIN REHRIG

"Marvie" saved the class teams many a loss
By his skill, when in the rear;
For many a long shot or short foul toss,
He put in the basket clear.

RUTH PETERS

Small and quiet
Like the deuce!
Friendly and talkative,
That is Ruth.

EDITH PHIFER

"Peady" likes to go to swim
Even where it's muddy,
She seems to be an all 'round girl,
And even likes to study??

LOHR SCHLAUCH

Everyone gets out his reference
When Lohr begins to talk;
Because he's way ahead in science,
At no big real problem he'll balk.

KENNETH RITTER

From Packerton comes this
quiet youth,
And often in a big Buick,
too,
For "Kenny" is always at
home in a car,
As a chauffeur he surely
will do.

married

GLADYS RABENOLD

"Dick" is another debater,
She certainly uses her
brain;
She's friendly and smiles all
the time,
Especially out in the rain.

married to
Russel Hoon

ARLENE REX

How she dribbles o'er the
floor,
It surely is a shame;
But then that's "Rexie's"
favorite sport,
And "Peanuts" is to blame.

CHARLOTTE RONEMUS

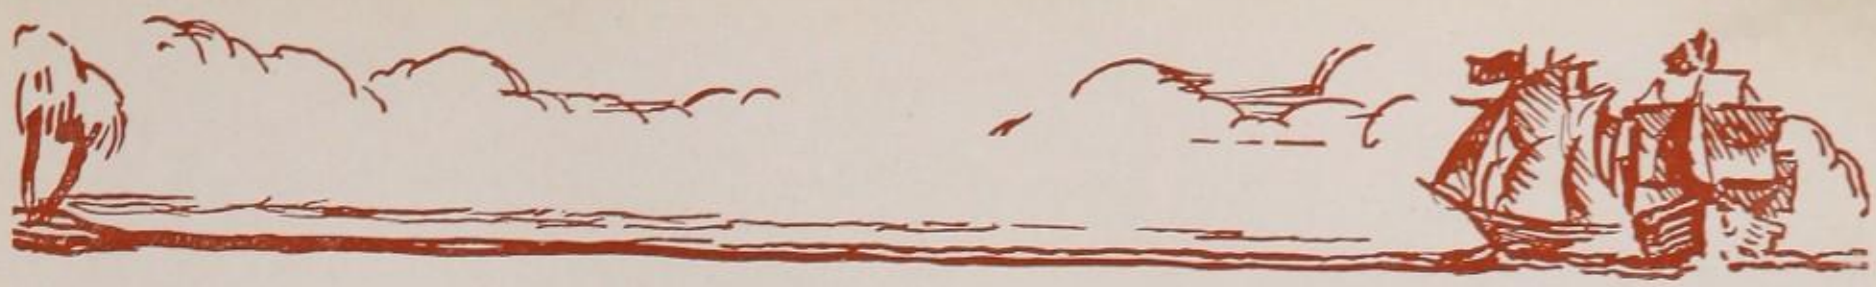
"Chillet" stars with pretty
curls,
Plays basketball what's
more;
The counter-forwards have
no chance,
With Charlotte on the
floor.

GERTRUDE REHRIG

"Slim" is the young maiden's
name,
With Jennie she's found;
And they have been as one
this year,
Giggling all year 'round.

ORVILLE SHOEMAKER

In a new Ford, Orville's quite
sought for
By girls and boys alike;
They think that's what it's
bought for—
To take people out for a
ride.



WOODROW SOLT

"Reds" has been a hard worker,
Especially in his Senior year;
The stage manager of our play Sherwood
Can play the mouth organ? ? by "ear."

GRACE ROTH

In basketball she stands the bumps,
Through all the perspiration,
But everybody knows it's Hontz,
That's "Rothie's" inspiration.

HELEN SOLT

With gymnastic form,
Helen has not been blessed;
But she knows all her lessons,
So here's to her success.

HAROLD WEINLAND

"Goofy" will be a journalist
If nothing else interferes,
He also plays a "hot" clarinet
But: — Complications are coming, we fear.

Married

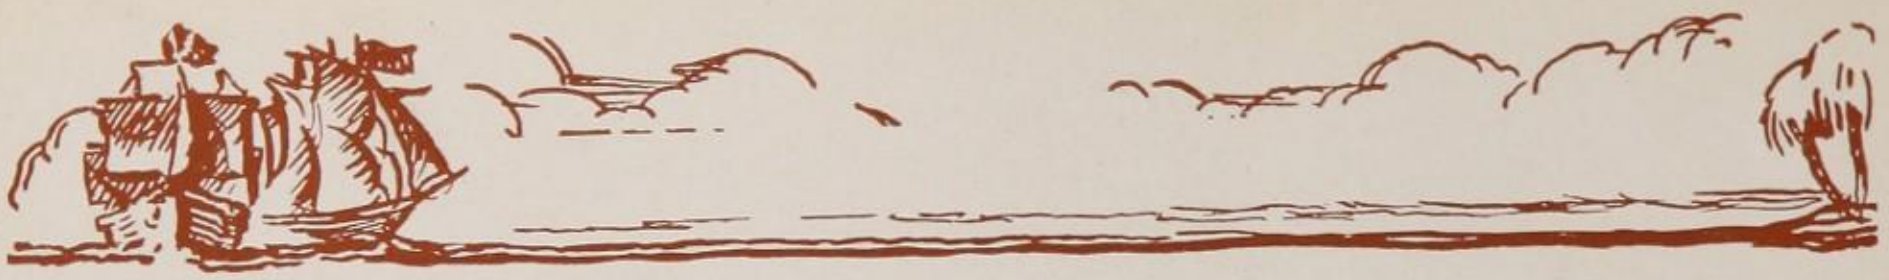
HARRISON STRAUB

Ever-ready for humor and wit,
Husky "Bud" as a pastor should fit,
He played as tackle on the varsity team;
To settle a question he has ever a scheme.

ALICE SCHOTT

Married

"Schottie" and Fords are synonyms,
They're usually found together;
But here's how Alice spends her time:—
Dancing in all kinds of weather.



ELLEN SERFAS

"Goof" is famous at the rink,
Surpassing as a skater;
Although her classmates also know—
At singing she'll be greater.

ALLEN ZAHN

For "Zahnie's" a jolly good fellow,
Who is always full of fun;
On field or floor he wins many a friend,
A sport and athlete in one.

Died July, 5, 1932
Buried July, 8, 1932.

FLORENCE STEIGERWALT

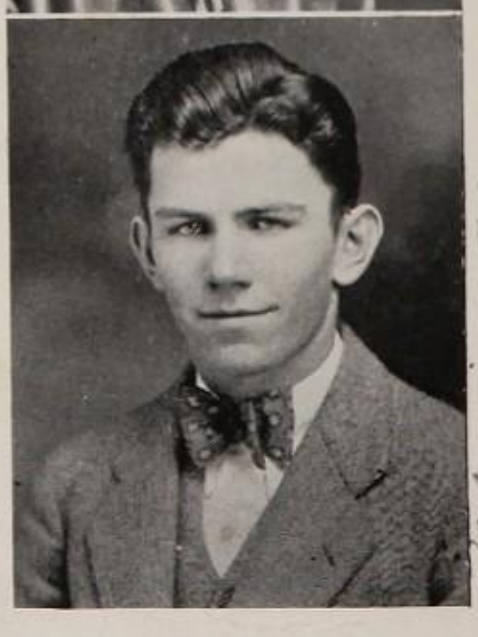
Florence is a quiet girl,
She causes no one trouble;
She always knows her lessons, and
Her care is all a bubble.

NAOMI SWEITZER

Naomi doesn't like the boys,
If she did, we couldn't tell;
But we know that as a student,
"Nome" does exceedingly well.

BEATRICE SOLT

Here we have a Beatrice
Who helps her dad a lot,
She likes a gossipy exchange
With charming young Miss Schott.



WILLARD ZIMMERMAN

"Bill" made a comeback in athletics,
After an injury which laid him up long;
Just so, he is never downed by defeat,
Keep fighting "Bill," you'll get along.

Married Dora

MILDRED SWEITZER

Another quiet maiden,
  Goes by the name of "Mick;"
She's an expert typist,
  In Gregg she's also quick.

MILDRED WALCK

"Micky's" made many friends
  Because of her gay disposition;
For typing she doesn't give a rap,
  But she certainly can write composition.

HELEN WEHR

Helen gets a million A's,
  She's blessed with the best of looks;
We hope when she gets out of school,
  She can keep her father's books.

THELMA ZIMMERMAN

Thelma seems a quiet girl,
  But she's the finest sport;
She comes to our athletic games
  And functions of that sort.

PAULINE WEHR

"Tony's" a good violinist,
  What she sows, she'll surely reap;
We hope to see the time
  When she'll show Fritz Kreisler cheap.

MAZIE ZEIGLER

Mazie's going to Kutztown
  To learn to teach us French;
If the boys all misbehave for her,
  She'll put them on the bench.

EVELYN SOLT

To look at her you'd never guess
That "Soltie" talks "sans stop,"
She often passes time away
In father's bakery shop.

SOLOMON TAUSS

Orating, debating, loud and clear.
"Solly" cinched high school debates;
Even in history a listening ear
Is lent to his pleas—a lawyer he'll make.

September 3, 1929, only 95 of the original group remained for the last lap. As heretofore the Class of 1930 was exceptionally well represented in varsity basketball and football. The girls' varsity basketball team had several of our girls among its numbers. In inter-class football we were less fortunate, losing the only game we played. In inter-class basketball both the boys and the girls won every game they played. On December 13, 1929, the Senior Class presented its annual class play, "Sherwood," by Alfred Noyes, to a large and appreciative audience. The play, a tale of "Old England," renewed our childhood acquaintance with Robin Hood and his merry outlaw band. As a gift to the school we decided to present a classroom movie projector, still filmslide projector, an auditorium amplifier, and films to start an educational movie library with the hope that they will be valuable additions to visual education in the high school.

It is under the very able supervision of our friend and advisor, Mr. Millard A. Stofflet, that we close a successful four year career in good old Lehighton High.

JUNIOR CLASS HISTORY

The stage is set.

Time—September 6, 1927.

Place—Lehighton High School.

Characters—One Hundred fifty-four members of our class.

The curtain rose, disclosing the first year of our High School career. Although we were timid Freshmen, we acquitted ourselves very successfully in the athletic field by defeating the stubborn Sophomores in the annual "Gridiron Classic." We put up an excellent showing against the many new and strange studies confronting us. A prize in the annual Hallowe'en Parade was captured by our class for its splendid turn-out and uniformity of dress. Final examinations ended Act I of our play, "Four Years in High School." The curtain fell.

On September 6, 1928, we returned to the stage with the cast reduced to one hundred thirty-one students. As members of the Sophomore class we progressed fairly well in curricular and extra-curricular activities. The Sophomore boys put over with a bang the skit, "West of Hershey Bar," written by a member of our class.

After another intermission we again returned to our Alma Mater, now to enact the busy scenes of the Junior year—the most important part of our High School Drama. The stupendous but delightful task of publishing our annual, the Gachtin Bambil, was attacked with zeal. 'Ye Olde Junior Candy Shoppe" was managed successfully. The splendid rendition of the Junior Class's three one act plays, "Exchange," "Overtones," and "The Faraway Princess," given in the High School Auditorium on March 14, 1930, was made possible through the co-operation of the class members. Our class was well represented on all four of the school's athletic teams.

One more act remains to be completed, before extinguishing the footlights on our High School Play.

We feel confident that every member of the Class of 1931, during the last act of our play, will keep constantly before him our motto: "If we rest—we rust."

CHARLES ASHNER "Mickey"

Academic

Orchestra 1, 2, 3.

"Mickey" is one of the good-looking members of our class. His curly hair and "spiffy" smile have caught the eye of many of the weaker sex, but "Mickey" is a woman-hater. He is out for basketball and at times flashes rare form. As a violinist he is a wizard, being on the par with Mischa Elman and others. When Prof. Yenser sees Mr. Ashner coming it is time to start practice. Best of luck for the future, "Mickey."

"Gee!"

CHARLES BLOSE "Charlie"

Academic

Class Baseball 2; Safety Patrol 1; Manual Arts Club 2.

This tall, handsome chap hails from the neighboring community, Parryville. Every morning "Charlie" walks the three miles between that city and the High School. "Hey, you."

THOMAS BOCK "Tommy"

Academic

Physical Education Club 1, 2, 3.

"Tommy" is thought to be rather handsome by certain members of the opposite sex. A Freshman claims very much of his time; this might be a reason for his being too tired to study. Early in the morning he can be seen peddling milk and we expect him to be the president of some great dairy one of these days.

"I heard a good one."

Jr. Press Club 1; That's That 1; Kathleen 2; Glee Club 2; Class Basketball 2, 3; Library Club 2; Gym Team, Pianist 2.

"Betty" is a very attractive member of our class, besides being popular. "Betty's" talent as a pianist is well known and she is never happier than while she is "tickling the ivories." "Betty" has one hardship in her fair young life—Plane Geometry. Methinks something should be done about this for it has a grave effect on "Betty's" complete happiness. Otherwise her lessons go along very smoothly.

"Don't!"

LILLIAN DIEHL "Lill"

Commercial

Junior Chamber of Commerce 1, 2; Aeronautics Club 3.

He is the chap who plays football, baseball, and basketball for our class teams in a manner that makes him the outstanding player. "Butch" is witty and his "line" is continuous when he is started. "Syl" is one of the late-comers. That is, every morning one may see her rushing through the parks of the park at break-neck speed. When "Syl" finally arrives she can certainly recite well in her classes for she is a very bright person. Her pet aversion is arguing at which she is an expert. "Syl's" aim is to teach languages and she knows her stuff.

"You're not so funny."

"I caught two skunks yesterday."

CHARLOTTE HOUSER "Chat"

"Franz" is the star athlete of our class, having played football and baseball since he was a Freshman. He is one of the most popular fellows in L. H. S.—especially with the opposite sex. He shines in all extra-curricular activities and like "Bud" Fisher, his favorite hobby is cartooning. "Franz", we wish you the same success in life that you have attained on the gridiron.

"Hey, Hunyok."

MARY KRAMER "Mary"

Academic

Travel Club 1; Forensic Society 2; Oratory 2; Oratory and Debating 3; Debating Team 2, 3.

Mary came to L. H. S. three years ago, joining the ranks of the Class of '31. Mary has proved herself a real student during the last three years. Besides this she has taken a large part in extra-Curricular activities, especially in the public speaking line. Mary wants to be a school teacher and we are sure she'll succeed for no task can hinder her progress.

"You know that I know nothing."

FRANCES KLINGER "Babe"

Commercial

Phy. Ed. Club 1; Library Club 3; That's That 1; Kathleen 2.

This dark-haired miss is an attractive member of our class. She sometimes finds time to do her lessons altho much of her time is occupied writing notes to a certain Junior boy and keeping her dates straight. Most of her leisure time is devoted to reading. She is greatly interested in books and some day hopes to be a librarian.

"For crying out loud."

MICHAEL KOBAL "Miky"

Commercial

Class Football 1, 2, 3; Class Baseball 1; Class Basketball 3; Glee Club 1, 2; Safety Patrol 1, 2; Year Book Staff 3; Junior Class Play.

"Miky" is another popular lad of our class and he is often seen traveling across the bridge to the metropolis of Weissport. We suppose he has very important business to transact over there? He played on the class football and baseball teams. "Miky" takes an interest in cartooning and can usually be seen sketching some unsuspecting individual. Some day we expect to learn of his success in the art world.

"All right."

ALTHEA KROPP "Teak"

Academic

Jr. Press Club 1; That's That 1; Kathleen 2; Glee Club 2; Forensic Society 2; Class Basketball 2, 3; Year Book Staff 3; Press Club 3; Gym Team Club 3.

Dark wavy hair and dark eyes, it is "Teak", no less. "Teak" is very active for there is very little that she can't do. She can dance, sing, and be very entertaining. Every now and then we may see "Teak" behind the counter down at the well-known place of recreation, "Pop's". With all Althea's outside activities she manages very well to get her lessons every day.

"What are you laughing at?"

WESLEY KRIEDLER "Wes"

Academic

Emerson Literary Society 1; Class Football 1, 2, 3; Class Baseball 2; Class Basketball 1, 2, 3; That's That 2; Manual Arts Club 2; Glee Club 2; Year Book Club 3; Science Club 1; Kathleen 3.

Meet "Wes", the small bewhiskered chap from South First Street. He is always seen stroking his beard and looking over the fairer sex of the Sophomore Class. He takes part in many of the class activities, being on the class football, baseball, and basketball teams. He is Assistant Manager this year, and we all hope he will become Manager next year. If he is as successful in his future activities as he is in school, we have no fears for him.

"I'm a man."

ERNEST KOEGEL "Ernie"

Academic

Latin Club 1; Stamp Club 2; Year Book Staff 3.

"Ernie" is one of the quiet members of our class. He always lends a helping hand in whatever the class undertakes, being on the Gachtin Bambil Staff and Assistant Manager of the Junior Candy Stand. "Ernie" is very ambitious and some day he may be at the head of the Koegel Packard Motor Co. Best of luck from '31.

"Don't get dumb."

MARY KRUM "Mary"

Commercial

Jr. Chamber of Commerce 1, 2; Glee Club 2, 3.

Mary is another person who finds a great deal of pleasure in studying. She is one of the quiet members of the class and doesn't take part in a great many activities. Mary is a student in the Commercial group and so perhaps some day we shall find her the private secretary to some big business man. Here's luck!

"Oh, shucks!"

CARL LANGKAMER "Lang"

Academic

Class Football 1, 2, 3; Class Baseball 2; Class Basketball 3; Sub-Varsity Football 3; Class Treasurer 1; Class Athletic Manager 1; Stamp Club 1; Physical Education Club 2; Year Book Staff 3.

Here is one of the fellows who has a certain charm over the opposite sex. He has taken an active part in athletics and made the class football, baseball, and basketball teams. "Lang" was a sub-backfield man this year and he has hopes of making the Varsity next year. He is a shining light in History class. We do not know what he intends to do in later life but the best wishes of the class of '31 go with him.

"Hey, Polock."

ANNA K. LEVINE "Skinny"

Academic

Glee Club 1; Library Club 2, 3.

Anna is one of our friends from the metropolis across the river. She happens to be a very jolly young person. Books claim more of "Skinny's" attention than does anything else. She can always see her carrying in addition to her textbooks a bit of modern fiction. "Plane Geometry" is certainly a drawback in Anna's life. Otherwise her scholastic happiness would be complete.

"Holy cats!"

RUTH LONG "Ruth"

Academic

Glee Club 1; Jr. Chamber of Commerce 2; Glee Club 3.

Ruth gets plenty of exercise each day walking to school. She is always at school bright and early studying. Ruth spends a great deal of her time in an attempt to master Virgil. She is very quiet and tries to make her class recitations perfect. We don't know what Ruth wants to do when she leaves our "dear old Alma Mater." Good Luck, Ruth!

"Oh, Gosh!"

PAUL LAURY "Polly"

Commercial

Class Football 2, 3; Stamp Club 1, 2; Year Book Staff 3.

Here is one of the good-looking chaps of our class. He is quite popular with the fairer sex. If at any time you want to know a girl's name, ask "Polly", he'll tell you. As a pianist he excels, being about the best in the locality. Some day we expect to hear him broadcast over W J Z or some other station. The future has much in store for this ambitious lad.

"Hey, you."

HARRIET MILLER "Priscilla"

General

Latin Club 1; Library Club 2, 3; Junior Class Play.

Harriet is rather aloof, but indeed if you learn to know her a little better you will find her a very charming companion. She has literary inclinations and if one speaks with her thereon they will find that she certainly knows her books. We are proud of Harriet's ability as a student, for every month her name appears in that superb group, the Honor Roll.

"I'd like to tell that to....."

ARNOLD MANGOLD "Arnie"

Academic

Bird Club 1; Manual Arts Club 3; Safety Patrol 2.

"Arnie" is a rather quiet chap but is a good friend to all who know him. He does not take part in athletics but is often seen cheering at the games for our team. We suppose he spends his evenings at home studying ???? Whatever he intends to do we are sure he will succeed.

"D'ya have your German?"

JOHN McCARTHY "Johnnie"

Academic

Orchestra 1, 2, 3; Band 1, 2, 3.

"Johnnie" is another musically talented lad of our class, playing the drums and the xylophone in both our orchestra and band. He is always dressed up and is usually seen sitting in the lobby of the Hotel Lehighton conversing with the big men of the burg. He takes a great interest in the stock market and we're sure he'll be a success in Wall Street as he is in the orchestra.

"We've a hot orchestra."

LEONA MILLER "Loney"

Academic

Latin Club 1; Typing Club 3.

"Loney" is one of the students from the metropolis of Weissport who joined our ranks in the Freshmen year. She seems quite bashful in school but we surmise that she isn't so with a certain young fellow whose class ring she is wearing. Her ambition is to become a nurse and we feel sure she will be successful.

"You're such a dear."

MARVIN MERTZ "Marvie"

Academic

Press Club 1; Manual Arts Club 2; Aeronautics Club 3.

"Marvie" is one of the representatives from the agricultural district and also a follower of Caesar and Cicero. "Marvie" is an ambitious lad and some day we expect him to be in the White House as the Secretary of Agriculture and improving the conditions of the Mahoning Valley and East Penn farmers. Good luck to you!

"D'ya have your Physics?"

GLORIA MONK "Glo"

Commercial

That's That 1; Glee Club 1; Kathleen 2; Dramatic Club 2; Aeronautics Club 3.

Just see how carefully this young lady's hair is arranged! But then, they should be, for "Glo" expects to be a hairdresser. She doesn't bother with the opposite sex here at school but she has plenty of "friends" elsewhere. When your classmates become "Fat and Forty" we'll come to you, "Glo." Here's hoping you can aid us.

"Huh? ? ? "

MARY MONTZ "Betsy"

Academic

Art Club 1; Forensic Society 2; Typing Club 3; Year Book Staff 3; Jr. Class Treasurer.

As the clock turns to 8:31 there is a tap, tap. Someone is coming up the stairs to Room 32. Mary! We didn't expect her sooner. "Betsy" is an accomplished artist and devotes a portion of her idle time to drawing. We understand Mary is quite a violinist and we may find her some day on the stage of the Metropolitan. Besides "Betsy's" artistic temperament she enjoys day-dreaming and often indulges in it during class time.

"I go home now."

MILES MERTZ "Brute"

Academic

Art Club 1; Science Club 2, 3.

And here is the smallest member of our class. "Brute" comes to our Alma Mater from the distant valley of New Mahoning. This chap is not athletically inclined but usually has his lessons prepared, in fact he very seldom appears in class without them. Very few are the times when Miles is caught without an answer. Good luck for your future, "Brute".

"Therefore angle 1 equals angle 2."

EDITH F. NOTHSTEIN "Edith"

Commercial

Glee Club 1, 2, 3; Jr. Chamber of Commerce 1, 2; Jr. Class Play.

Edith is another outlying district pupil. She entered the class of '31 at the beginning of our career as Freshmen. She has proved to be in these several years, a quiet but congenial member. Her grades show that she has scholastic ability. Edith's desire is to become a nurse and we feel quite sure that she will be a success.

"Hey, do you know?"

CHARLES RABUCK "Puffer"

Commercial

Class Football 2; Class Baseball 2; Class Football Manager 1; Stamp Club 1; Band 1, 2, 3.

"Puffer" is one of the big men of our class—especially around the waist. He is quite a musician and resembles Paul Whiteman in many respects. If he keeps on improving his clarinet playing he will soon land in a "hot orchestra". "Puffer" is always talking about a certain Junior girl who comes from the city of Jamestown. We wonder why.

"When I get my tenor sax."

ROBERT SEMMEL "Tom Mix"

Academic

Science Club 1, 2; Typing Club 3.

Hurrah! "Tom Mix." "Tom" got his name by skipping Literary Society a few years ago and going to the movies to see "Tom Mix" play. "Tom" recites well in his classes and is sort of a quiet guy. We do not know what he intends to do but we imagine this ambitious youth will surely succeed.

"D'ya have your German?"

GLADYS OHL "Gladys"

Academic

Glee Club 3.

This young lady joined our ranks in our Junior year. She is a very quiet person except when called upon to recite, then she certainly can be heard. Her favorite pastime is reading which she shows by the good interesting, current topics she always has for History class. Some day we expect to see her a teacher "in the little red schoolhouse."

"D'ya have a good book for me?"

WOODROW SEMMEL "Woodie"

Academic

Science Club 1, 2; Aeronautics Club 3.

"Woodie" is another outlying district pupil of our class. He is a quiet chap and usually minds his own business. "Woodie" does not play on any of the class athletic teams but we suppose he spends his time on his scholastic work???? Some day he hopes to be an agriculturist and the Class of '31 wishes him success.

"Veni, Vidi, Vici."

MARJORIE PETERS "Marge"

Academic

Current Events Club 1; Forensic Society 2; Glee Club 2; Press Club 3; Year Book Staff 3; That's That 1; Kathleen 2; Jr. Class Play.

"Marge" belongs to the "midget" group of our class. That, however, does not prevent her from doing "big" things for our High School. She is literary editor of the Leni Lenapian and has written several plays which the Junior girls "put on" in their literary programs. She hopes that we may some day read one of her thrilling novels.

"Il est toujours."

HILARIA REHRIG "Mavis"

Academic

Latin Club 1; Forensic Society 2; Aeronautics Club 3; That's That 1; Kathleen 2.

"Mavis" or "Blondie" as she is frequently called, comes to our high school from the little town to the north of us. Wherever you see "Mavis" you are almost sure to see "Syl" for they are inseparable pals. We wonder why they so often take the bus to Chunk??? She is Harleman's chief assistant at the candy stand.

"Hey, kid!"

IRVING SHAWIN "Irvie"

Academic

Manual Arts Club 3.

"Irvie" is one of the new-comers to Lehighton High School, coming from Patterson, N. J. He is a jolly lad and belongs to the "Laugh-All-Day Club". He is an ardent pupil in Mr. Stofflet's French class and we hope some day the class of '31 may gather upon some dock in New York Harbor and give "Irvie" a royal send-off to France as a Minister from United States.

"Nize Beby."

MARGARET REHRIG "Mag"

Commercial

Good Manners Club 1; Library Club 2; Office Practice Club 3.

''Mag'' is one of our stellar students. She is taking the commercial course, seems to be very fond of all her subjects, and always has her assignments well prepared. With all her ambition we are sure she will go far in the commercial world. Always remember, ''Mag'', that the Class of '31 is wishing you the best ever.

"D'ya have your bookkeeping?"

FRANKLIN SNYDER "Frankie"

Academic

Class Baseball 2, 3; Class Football 2, 3; Class Basketball 1, 2; Sub-Varsity Basketball 3; Physical Education Club 2; Art Club 1; Year Book Staff 3; Junior Class Play.

Here is one of the good-looking chaps of our class and we don't doubt that he will marry a movie star. ''Frankie'' has athletic ability and has starred in all class sports. We hope he will be on the Varsity Basketball Team next year. ''Frankie'' has plenty of ambition and we know he will succeed. Good luck!

"Let's go places."

MAURICE SOLT "Soltie"

Academic

Stamp Club 1, 2.

''Soltie'' is the great diplomat of historical authority (ancient) of our class. He happens to be one of Miss Pilz's brilliant lads, doing nothing but studying History. ''Soltie'' is an ambitious lad of '31 and he has made many friends while in school. Although we know nothing of what he intends to do in later life we know he will succeed.

"I've got my Physics today."

CATHERINE SANDEL "Cassie"

Married

Commercial

Junior Chamber of Commerce 1, 2; Aeronautics Club 3.

This miss hikes to and from school each morning, noon and night from the western section of our city. She is usually seen with her friends ''Lil'' and ''Fat''. ''Cassie'' is an accomplished giggler and runs a close second to ''Fat'' for the class championship. Most likely she will become the efficient secretary for some big business man. Even though you are busy, always remember '31.

"Zat so!"

PAUL SOLT "Polly"

Commercial

Press Club 1; Manual Arts Club 2; Aeronautics 3.

"Polly" is one of the ambitious lads from Phifers Corner. He has no inclination towards sports, so he devotes his time to studying. His goal in life is to be an aviator, as one can perceive when talking to him about aviation. He spends many a day at our airport watching the flyers and looking over new planes. We expect "Polly" to become a great pilot in the near future.

"Boys, that's a nifty plane."

MILDRED SCHLEICHER "Shorty"

Academic

Good Manners Club 1; Latin Club 2; Typing Club 3.

"Shorty" is another studious Junior. She has a smile for every one and this has given her an army of friends since she joined us in our Freshman year. She is often seen with her friend, Medellna. She wants to be a teacher and perhaps she will some day be telling the pupils to leave their "ponies" outside the class room.

"Nothing's wrong."

ARLENE SEBRING "Bubbles"

Academic

Good Manners Club 1; Forensic Society 2; Glee Club 2, 3; Class Secretary 2; That's That 1.

This dark-haired miss comes from the western section of our city. She usually knows her lessons altho she doesn't seem to worry about them. She is a member of Mr. Yenser's Glee Club of which she is the leading alto. "Bubbles" wants to be a nurse but we think she would be a good radio entertainer with such a sweet alto voice.

"That's too dumb!"

KERMIT STEIGERWALT "Kerm"

Academic

Latin Club 1; Glee Club 2; Safety Patrol 2.

"Kerm" came to us in his Freshman year, being one of the many who come from Andreas. He is a studious chap and can rattle off Plane Geometry and German like nobody's business. He has made many friends during his three years at school. We do not know what "Kerm" intends to do in the future but we are sure he will be successful in whatever he does.

"D'ya wanna visit the undertaker?"

MEDELLNA SENSINGER "Medellna"

Academic

Good Manners Club 1; Jr. Chamber of Commerce 2; Typing Club 3.

Medellna is one of our sweet blondes who hails from Mahoning Valley. She treats all her friends alike and is easy to get along with. A favorite pastime is working Plane Geometry propositions. She is known to be very studious as she spends the entire noon hour studying. With her pleasant manners she is certain to be a success in life.

"Do you know.....??"

NEIL STEIGERWALT "Duke"

Married

Academic

Class Football 1; Class Baseball 2; Class Basketball 2; Sub-Varsity Basketball 3; Sub-Varsity Football 2; Varsity Football 3; Latin Club 1; Safety Patrol 2; Glee Club 2.

"Duke" is one of the brilliant lads of our class, having excellent grades in all his studies. He is also an honor student. "Duke" is not only good in his studies but he is quite an athlete. He was center on the football team this year and played class baseball and basketball. We all wish success to this studious chap of the class of '31.

"Don't get dumb."

PAUL WEAVER "Polly"

Academic

Class Football 2; Class Basketball 2; Class Athletic Manager 3; Latin Club 1; Manual Arts Club 3; Orchestra 1, 2, 3.

"Polly" is the Fritz Kreisler of our class. He plays the fiddle in our High School Orchestra and would make an excellent "Fritz" but for his golden locks. "Polly" takes an active part in the class activities. He is a sub on the class football and basketball teams and is sports manager of our class.

"I'm a violinist."

HAZEL M. SIGLIN "Tex"

General

Good Manners Club 1; Library Club 2, 3; Student Council 1, 2.

Hazel is quietness personified. When is comes to class recitation her quietness ends and she bursts forth into a flood of ideas. One of Hazel's great assets is her conscientiousness. Each morning finds her with every lesson well prepared. As a result her name appears every period on the Honor Roll. Perhaps someday we'll see Hazel imparting a vast amount of knowledge to a group of eager pupils.

"What do you think this is?"

WAYNE WEAVER "Weaver"

Academic

Safety Patrol 1, 2; Science Club 3.

"Weaver" is one of the many out-lying district pupils of our class. He does not participate in any of the athletic activities of our class or school but is a diligent worker in scholastic work. Wayne is what you call bashful and does not bother with the girls—at least we do not know about it.

"Aw g'wan."

EVELYN SIMON "Eggy"

Academic

Phy. Ed. Club 1; Library Club 2; Glee Club 2; Aeronautics Club 3; Class Basketball 2, 3.

This husky miss is center on our class basketball team. "Eggy" doesn't pay much attention to the opposite sex of our high school but she does seem quite interested in a certain young man from our rival town, Chunk. She has two great difficulties, Algebra and German. We wish you a lot of success with Algebra problems and the graver problems of life.

"I'll bite."

LOIS STEIGERWALT "Lois"

Academic

Glee Club 1; Forensic Society 2; Typing Club 3.

Lois is one of the small members of the Class of '31. She has the pleasure of a long ride to and from school every day from the neighboring town of Andreas. Lois is very diligent at her lessons. Because of the distance from town she is unable to be present at all the evening activities of the school. Accept our good wishes.

"You ought to know!"

PAULINE STEIGERWALT "Polly"

Academic

Good Manners Club 1; Glee Club 2; Typing Club 3.

Pauline comes to L. H. S. from the metropolis of Bowmanstown. She joined our ranks in the Freshmen year and has made many friends since her arrival here. Lessons are no burden to this young lady for she gets them easily and always has time left to tell you a good joke. In her spare moments she entertains her friends by "tickling the ivories."

"D'ya have your plane?"

WINIFRED STEIGERWALT "Winnie"

Academic

Glee Club 1; Library Club 2; Typing Club 3.

Winifred is one of the very quiet members of our class who believes in letting others do her share of talking. She is fond of reading and in her spare moments can almost always be found in the library. We hope that in a few years we may be able to read her literary criticisms in one of the metropolitan newspapers.

"Hang it."

HAROLD ZIMMERMAN "Hammy"

Academic

Class Football 2, 3; Class Basketball 3; Stamp Club 1; Physical Education Club 2.

"Hammy" is one of the small members of our class but he is mighty in words. Although he is very small, he can be heard in "Plane" class and how! He is usually seen on South First Street attending to important business. "Hammy" often officiates at class basketball games and varsity scrimmages and he has hopes of being a League Referee. We all hope he will succeed.

"Hey, Marjy."

NAOMI STHARE "Phenomia"

Commercial

Latin Club 1; Dramatic Club 2, 3; That's That 1; Kathleen 2.

This young lady's habit is reminding people of their lessons when they're trying to have a good time. In spite of this, she's a great kid and is always ready to help anyone who may need aid. She is out for Varsity Basketball and prospects look bright for her as Varsity guard next year. We suppose she'll lead a secretarial career. Here's luck!

"D'ya have your bookkeeping?"

MATRONA WALCK "Tony"

Academic

Current Events Club 1; That's That 1; Student Council 1, 2; Orchestra 1, 2, 3; Forensic Society 2; Kathleen 2; Glee Club 2; Year Book Staff 3; Class Secretary 3; Varsity Basketball 2, 3; Junior Class Play 3.

"Tony" is wholly an asset to the Class of '31. She never shirks a duty and is always willing to do her share in any undertaking. She represented L. H. S. on the Varsity Basketball and Gym. Teams. She is quite popular among her schoolmates because of her ability in all lines. "Patronie" is also a Staff member. We do not know what you will do after leaving us, but you can be sure '31 is with you 100 per cent.

"That's ducky."

MILKY WAY

SOPHOMORES

SOPHOMORE CLASS HISTORY

The Class of '32 has enjoyed fair winds in sailing o'er the seas of High School days. In our first year, Section 9-1 organized a "Hot Lunch Corporation," which was a great success. We were well represented in both athletic and scholastic activities. Much spirit was also shown in all social activities.

In the fall of 1929 we again entered the ranks of Lehighton High School as Sophomores, with an enrollment of 97. Our decrease in enrollment did not affect our spirit, for we entered into our Sophomore activities with considerable zest.

We entered the Hallowe'en parade and took second prize in the Senior High School division.

In the annual Frosh-Soph football game we emerged at the victors end of a 7 to 6 score.

In the inter-class basketball games our boys ranked second, and the girls occupied third place.

We are anxiously awaiting the time when we will be Juniors. We are looking forward to the task of publishing the next Gachtin Bambil, and we hope that we will be able to make a success of this undertaking. Until then, we bid you adieu.

JUNIOR HIGH

FRESHMAN CLASS HISTORY

On Tuesday, September 3, 1929, a group of one hundred eighty-seven ambitious Freshmen entered their last years of Junior High School life, looking eagerly forward to the time when they should enter the realms of Senior High.

The class was officially organized by the class advisor, Mr. C. A. Niehoff, on September 11, 1929. The first social event in which we participated was the Hallowe'en Parade. We were fortunate enough to carry away the first prize in the Junior High Division.

We made a splendid showing in the great Freshman-Sophomore football classic. We lost to the illustrious Sophs by the close score of 7 to 6. Our class was also well represented in both Girls' and Boys' Inter-class Basketball.

One dark spot in our school year was the untimely death of one of our number, Thomas Sauers, who lost his life due to injuries received in a coasting accident.

We, the Class of '33, are determined to be worthy of being called members of the Lehighton High School and with this spirit we are bound to win both in scholastic and athletic activities.

VARSITY BASEBALL

Season of 1929

Tho the L. H. S. Baseball Team did not fare very well in the season of '29, the outlook for the season of '30 is very promising. With a nucleus of eight varsity and sub-varsity men to build a team around, our motto could well be, "Another Championship Team for L. H. S."

Losing our first three games, one to our rival Mauch Chunk, L. H. S. redeemed themselves by putting up a "nip and tuck" battle with Slatington and thereby gaining their first stroke in the win column. Losing the following game, L. H. S. made up by winning the last game of the season, which was played with Mauch Chunk. As "Chunk" won the first game, this evened matters with one victory each.

INTER-CLASS BASEBALL

Season of 1929

Lehighton High's second year of interclass baseball, saw the "Champs" of 1928 uphold their reputation by going thru another undefeated season.

The Class of '31 was runner-up for the second year in succession losing but one game, which was to the "Champs."

The Frosh surprised everybody by defeating the Seniors, thereby forcing them into the cellar without a mark in the win column .

VARSITY TRACK

Season of 1929

With L. H. S. for the first time not being represented at the Penn Relays, due to lack of funds in the athletic treasury, preparations were made for the scheduled meets.

The first was a dual meet with Palmerton, a new event in the annals of L. H. S. history. Palmerton surprised everyone by winning a very close meet with 56 points to Lehighton's 48. No one was certain which team would win the meet until the final event was decided. However, though we lost the meet, the relay team again "brought home the bacon" by winning the event.

Our next meet was held at Lancaster, with our team making an excellent showing against teams of much larger high schools. Competing in class B our team placed third, with Cheltanham as winner and Lansford runner-up. L. H. S. men came home with three medals and a lot of glory.

The next meet in which our team competed was held at Perkiomen. Competing in class C, our team placed second to Summit Hill, who won the coveted first place by a one-half point margin. Lansford placed third. Our team came home with second place and seven medals.

On June 1, the L. V. L. meet was held at Allentown. Our team upheld their reputation by again winning the meet, which it has been our honor to win the three years of its existence. L. H. S. finished with 51 points, Palmerton second with 40 points, and Catasaqua third with 27 points. L. H. S. men received seventeen medals and a cup. Catasaqua surprised everyone by winning the relay cup in a sensational race, with L. H. S. placing second.

The following meet was the annual Carbon County Meet held at Lehighton. The final score found Lehighton again on the top of the heap with 48 points, Lansford placed second with 34 points, and Summit Hill placed third with 27 points. Our team won fifteen medals and two cups.

The last was a dual meet with the Alumni. The Alumni triumphed by scoring 73½ points to L. H. S.'s 46½ points.

On Saturday, May 4, 1929, the third annual inter-class track meet was held with a large number of participants. The event is becoming more popular each year; this one can fully realize by watching the rooters for each team cheering their favorites on to victory, or at least honorable defeat.

FOOTBALL

VARSITY FOOTBALL

Season of 1930

Winning but three of nine games played, Lehighton High piled up the total of 74 points to our opponents 85. This proves that although Lehighton won only three and lost six, it was one of the best defensive teams in the state.

Losing to games by a lone touchdown, scored in the last few minutes of play, would break the morale of most teams, but this was not the case with Lehighton High's team.

By winning over Summit Hill, this year's team accomplished a feat which has never been accomplished before in the history of L. H. S.

The annual Alumni tilt was staged on a snow-covered field, with the graduates of by-gone years victorious over the under-grads by a 13 to 0 score.

INTER-CLASS FOOTBALL

When the final whistle was blown to end the annual Frosh-Soph tilt on the local gridiron, the Sophs were found to be victorious by a 7 to 6 score. This was one of the best Frosh-Soph battles held on our gridiron in a number of years, as the close score indicates.

The following inter-class game was the Junior-Senior game. It ended with the "fighting Junior Team" on top by a 7 to 0 score, the lone score taking place in the first few minutes of play.

The last inter-class game of the 1929 season was played between the Sophs and Juniors for the Inter-class Football Championship. The Juniors were the victors by a 19 to 6 score. —W. R. K., '31

BASKETBALL

BOYS' VARSITY BASKETBALL

After getting away to a slow start the season of 1929-1930 turned out to be quite successful. In the face of strong competition we managed to win seven out of fourteen Lehigh Valley League contests. One of the highlights of the season was the Palmerton game. Palmerton, the league leaders, managed to nose out our boys by a two point margin in one of the fastest games ever played on the local floor.

In defeating Slatington, this year's team accomplished something new in the annals of Lehighton High School. Another surprise was the defeat of Stroudsburg on our home floor.

In the Moravian College Tourney our boys defeated Coplay High by a 27 to 23 score, thus earning the right to continue in the tournament. Our hopes of the Class B championship were short lived, as we lost the next game to Elizabethtown High School.

Due credit should be given Coach Ginder for the showing made by this year's team. Losing but four of the ten varsity men, hopes are high for a high-rating team for the season of 1930-31.

GIRLS' VARSITY BASKETBALL

Although the Girls' Basketball Team of '29-'30 did not finish near the head of the Lehigh Valley League, they practiced faithfully and worked hard to keep up the standard of their Alma Mater. Besides the League games they also contended with the sextettes from American Commercial School, Allentown Nurses College, Lansford, Nesquehoning, and the Alumni. Due credit should be given Miss Mildred Obert, Physical Education Teacher, who piloted the girls through the season.

Although four varsity members will be lost by graduation, our prospects for a successful 1930-1931 season are bright.

BOYS' INTER-CLASS BASKETBALL

The Senior boys upheld the reputation of former Senior classes, by winning the inter-class championship without a single defeat.

The big up-set of the season was the defeat of the Junior team by the representatives of the Sophomore class.

Tho the Freshman team failed to win a game, they threw many a scare in the upper classes. The excellent playing of the lower classes is an assurance of good material for varsity use next season.

IF

For a Basketball Boy

If you can "mark your man" while those about you
Are losing their's and watching them throw goals;
If you can see your captain win without you,
Nor shoot his reputation full of holes;
If you can play like mad throughout the season
And then take sick as if you'd surely die
The day before the finals, without reason,
And smile although you really want to cry;

In jumping if no one is quite your master;
If vengeful bellows do not spoil your aim;
If, when behind, you only play the faster;
If boos and waving kerchiefs seem the same;
If you can eat plain food because it's hearty,
Remembering the games that are ahead;
If you can come home early from the party
And-athletic-like-go early to your bed;

If, when the score is tied in that last minute,
The whistle blares out for a double foul,
Your nerved opponents shoots, but fails to win it,
And you score yours, in spite of jeer and howl;
When "rough house" from your foeman seems to ask it,
If he won't foul, although he dubs you fool,
But smile, just as you shoot another basket,
And prove that you can win WITHIN the rule;

If you can shoot a goal from any angle;
If you can pass a shot that's swift and true;
If you play ball, and let the others wrangle;
If nothing from the side-lines bothers you;
If you can fill each grimy, hard-worked minute
With all that's in you till the game is done,
Yours is true sort, and everything that's in it,
And—more—you'll win the Game of Life, my son!

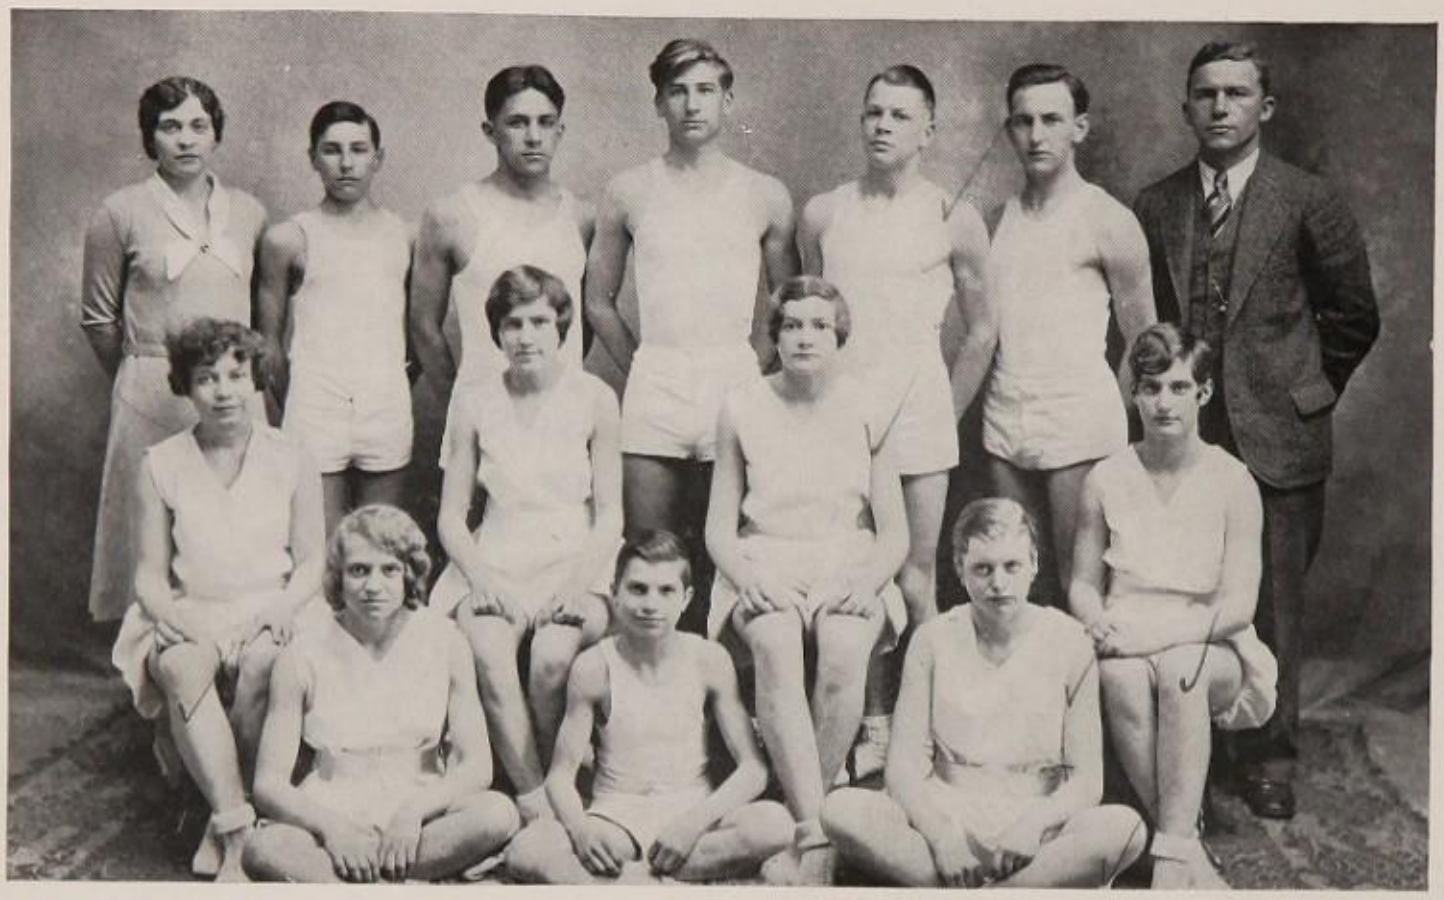
GYM. TEAM



SENIOR HIGH GYM TEAM

On Saturday afternoon, April 12, 1930, the Lehighton High School Gym Team competed in the annual high school meet sponsored by the East Stroudsburg State Teachers' College.

The afternoon events consisted of marching and calisthenics by both boys and girls, tumbling by the boys, and dancing by the girls. Lehighton's team succeeded in placing first in the face of stiff competition. The scores were as follows:

Lehighton	90.0	Nesquehoning	82.0
Pottsville	89.2	East Stroudsburg	81.7
Tannersville	84.3	Plymouth	60.0

The evening's program consisted of heavy apparatus work on the horizontal bar, parallel bars, and horse. Only three schools competed—Nesquehoning, Pottsville and Lehighton. The results of this competition were: Pottsville, first place; Lehighton, second place; Nesquehoning, third place.

A banquet was given to the teams and entertainment was provided in the form of an exhibition by the East Stroudsburg Varsity Gym Team.

The personnel of the Senior High Team is as follows:

Marion Bock
Edith Christman
Elizabeth Dieterich
Loretta Gaumer
Mildred Held
Matrona Walck
Junior Bock
Harry Febich
Robert Hontz

JUNIOR HIGH GYM TEAM

The Junior High Gym Team is something new in the history of L. H. S. The purpose of this team is to train the members in gymnastic work so that they will be better prepared to take a place on the Senior High Team when they enter the Senior High School.

Unfortunately this team did not engage in competition due entirely to the lack of Junior High meets in this section. However, the members of this team made a splendid showing in our annual Junior and Senior High exhibition.

The personnel of the team is as follows:

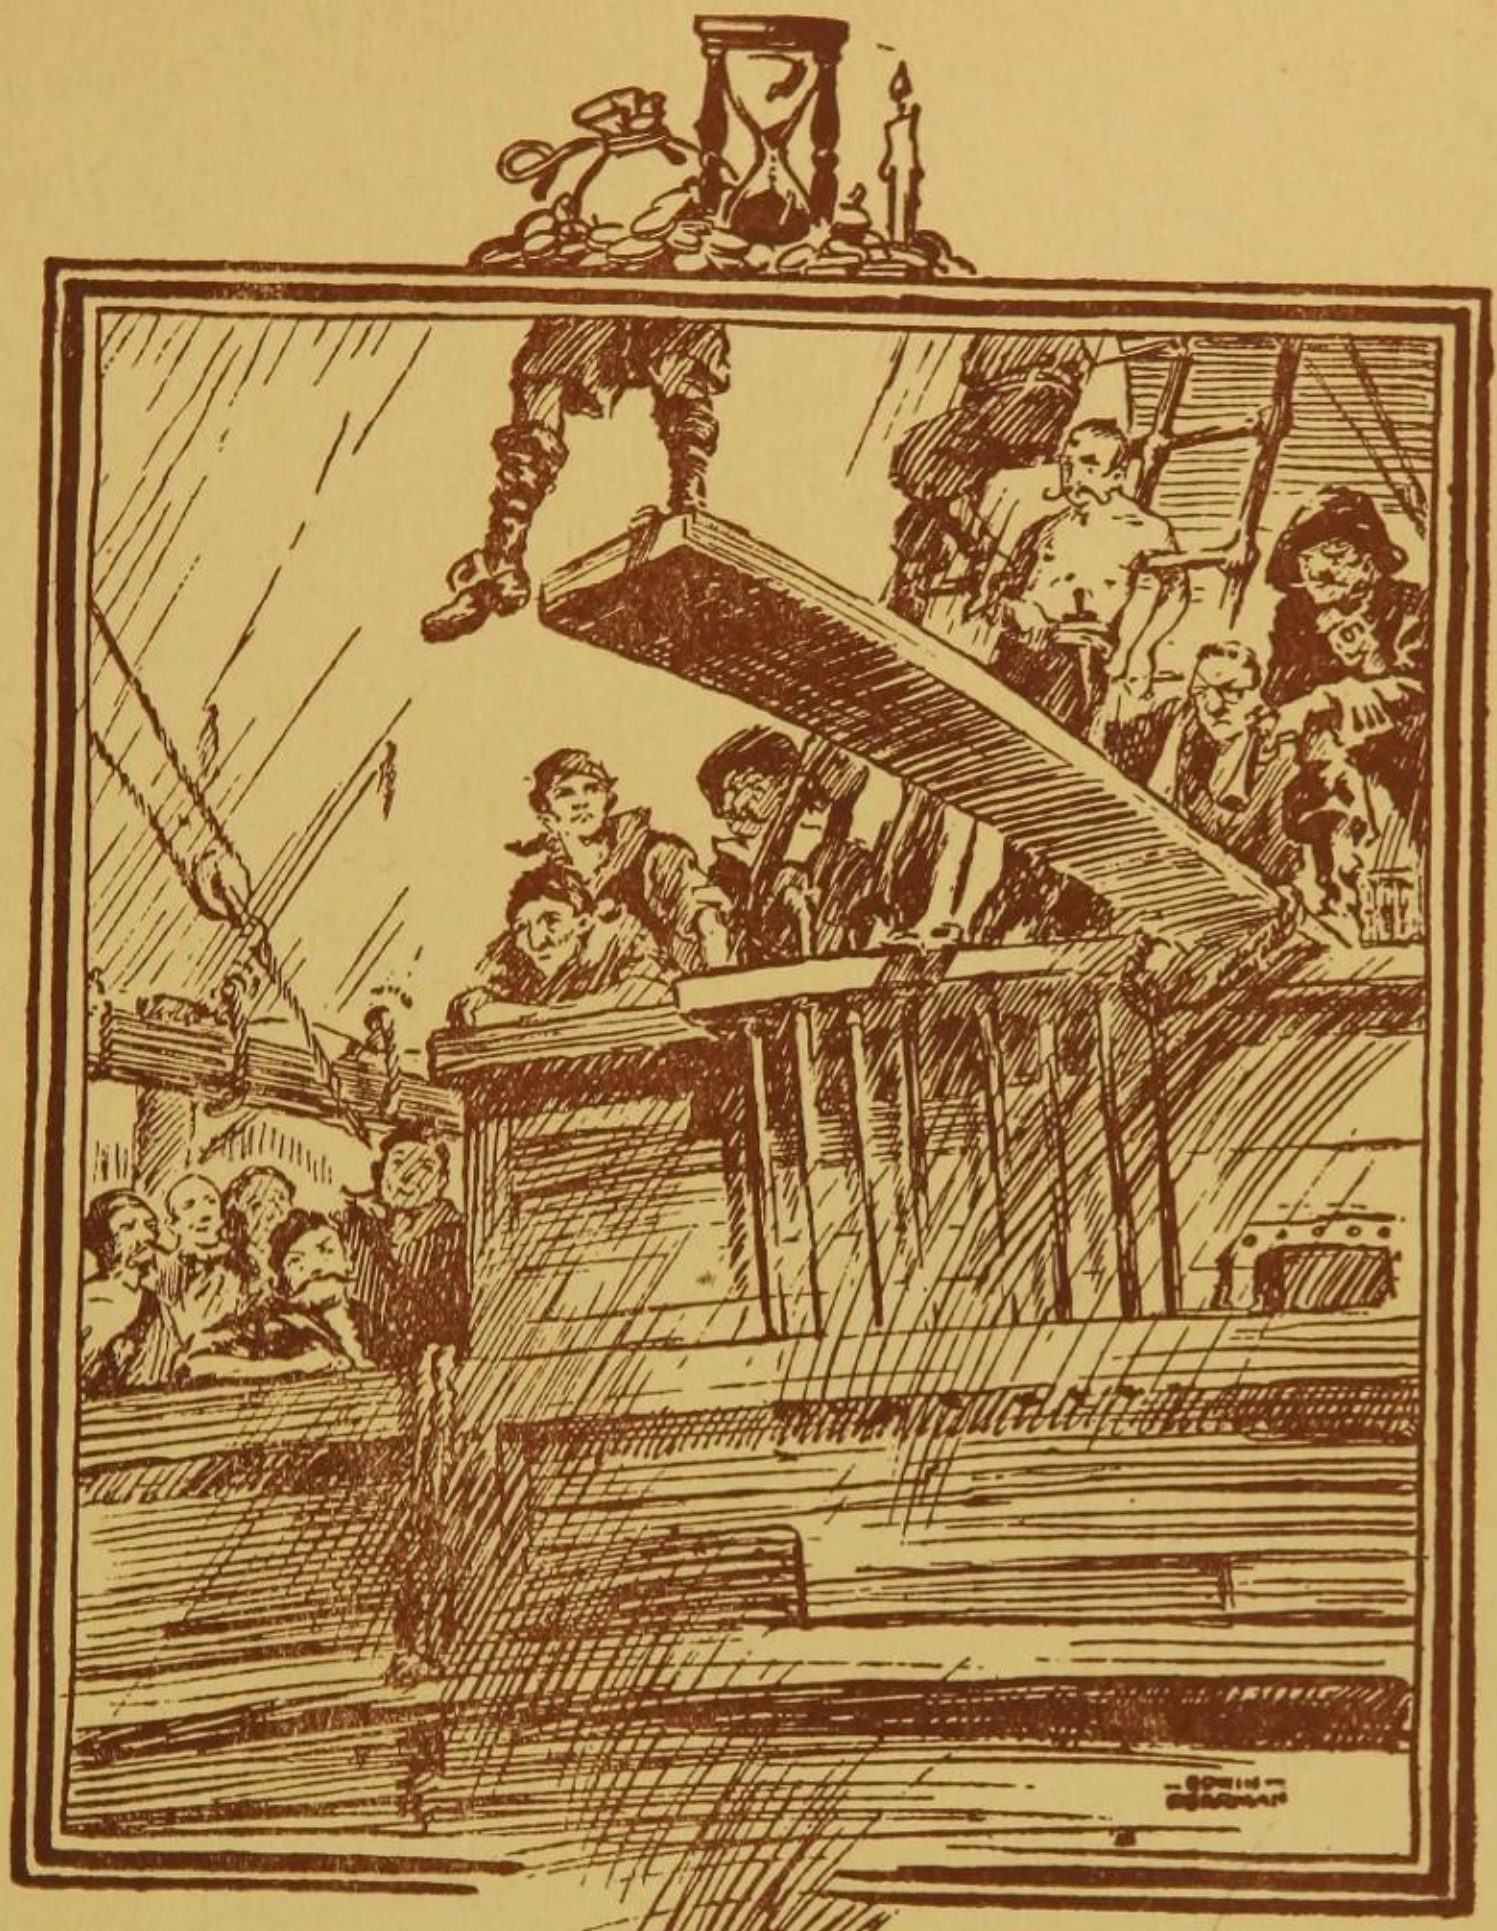
Ruth Balliet
Mary Christman
Mildred Dulaney
Betty Kreamer
Anna Peters
Grace Peters
Dorothy Steigerwalt
Abbott Asplin
Arthur Fritzinger
Stanley Haas
Willard Haas
Jack Helker
Guy Markley
Kenneth Snyder

Gymnastic work is rapidly forging ahead in our high school and we are proud to recognize this sport as one of our major activities. Much of the success of our gym teams is due to the splendid coaching by Miss Obert and Mr. Ginder of our Physical Education Department.

THE SENIOR REPRESENTATIVE TO ROTARY

(With apologies to Antony, beloved of Cleo)
by Harry Febich

Pupils, Students, and Seniors, open your eyes:
I come to speak about Rotary and not to repeat what others have said.
The stories that the others have told are forgotten:
What they should have told was lost in their nervousness;
So let it be with me. The noble Principal
Hath told you that I will speak:
If this were so, I am considered good,
And proudly I would try to speak to you.
Here, under leave of the Principal and the faculty—
For the Principal is a fine fellow;
So are they all, all fine fellows—
Come I to speak of my experiences.
That was my chance, opportunity and luck for me:
But the Principal says I must speak about it;
And the Principal is a fine fellow.
He hath brought many Seniors up to the platform,
Whose speeches did the general audience bore:
(Does this to me seem like a speech?)
When that the Student Body yawned, I did sleep:
Speeches are made of drier stuff:
Yet the Principal says I am a speaker;
And the Principal is a fine fellow.
You all did see throughout the month
That twice I attended Rotary,
And twice I had good eats: Was that material for a speech?
Yet the Principal says I must speak;
And, sure, the Principal is a fine fellow.
I speak not to disprove what the Principal said,
But here I am to speak what I remember.
You all did razz me once, not without cause:
What cause withholds you then to applaud me?
Oh Student Body! Thou art bored to death again,
And most of you have fallen asleep. Bear with me;
My heart is in my throat here with my Adams apple,
And I must swallow hard till it goes back again.



PLANK WALKING

MUSIC

HIGH SCHOOL ORCHESTRA

"Music hath its charms." This is indeed evidenced by the increasing number who avail themselves of the opportunity of playing in our high school orchestra.

The aim of our school orchestra is not only to train the members in orchestra playing but to present to the student body the works of noted composers. With this in view, Professor Yenser has acquired a library of the finest in music. Under his tutelage our orchestra has developed to a high degree of perfection. Visitors to our high school are indelibly impressed with the performance of this aggregation of musical talent.

In order to provide for the future, Professor Yenser has an elementary orchestra composed of the Junior High School pupils. In this orchestra the beginner is instructed in the rudiments of orchestra playing so that he is better fitted to enter the Senior High School organization.

A musical organization such as this is indeed an asset to the community as well as the school. We take great pride in the knowledge that our orchestra is among the best.

HIGH SCHOOL BAND

Lehighton High School is the proud possessor of another musical organization, the school band. With a good instrumentation, an abundance of musical talent, and a fine spirit of co-operation, our band is forging to the front.

What would a football game be without cheerings? Then again, what would we do before the game and between halves? Here is the answer—our school band. At every home game those idle moments before the contest and between the halves are made most enjoyable by the splendid playing of our band.

In this organization we find a group of students who not only support the football team, but who are willing to do their bit in making any school function a success. To say the least, we are proud of our school band.

ALMA MATER

In our dear old Carbon County,
In the midst of town,
Towers our highly cherished building
As the sun goes down.

Chorus

Swell the chorus ever louder,
In her praise delight,
Hail to thee, our Alma Mater
And Maroon and White.

Far above the Lehigh waters
With its waves of blue
Stands our noble Alma Mater,
Glorious to view.

Chorus

When the day will come to leave her,
O'er life's sea we roam,
We will always sing these praises
To our Lehighton home.

DEBATING AND ORATORY

The Debating Club with Gladys Rabenold as President and Geneva Grow as Vice-President consists of six hard-working members. They practice public speaking in all its forms under the able coaching of Mr. Niehoff. The forepart of the term was devoted to debating. The team selected for the Pennsylvania Forensic League consisted of: Affirmative, Mary Kramer and Solomon Tauss with Gladys Rabenold as alternate; negative, Evelyn Ebberts and Geneva Grow with Clair Beers as alternate. The question for debate was, "Resolved that the county should be the unit of control and support of the schools in Pennsylvania." The debating team won a dual victory over Mauch Chunk but our chances for district championship were lost through a dual defeat with Palmerton.

After a Preliminary contest in which Marguerite Miller stood first and Marjorie Peters second. Marguerite Miller represented the Lehighton High School in the County Oratorical Contest held at the Y. M. C. A. building in Mauch Chunk on April 11. Marguerite's oration on "Father" took first place and as a reward for her efforts she received a gold medal and brought home a silver cup for our school trophy case.

Carl Yenser represented the Lehighton High School in the boys' oratorical contest held at the Summit Hill High School on April 4. His essay on "The American Indian" showed promise for future years.

The Leni Lenapian

Volume III — Lehighton High School, June 1930 — Year Book Number

LENAPIAN COMPLETES THIRD YEAR

Twelve Issues of Present Volume Contained Many New Features and Innovations. New Staff Already Elected.

The Leni-Lenapian, our sprightly little newspaper, has just completed its third year, (Vol. 3.)

The first work of this nature, sponsored by our High School, was a half page of news in the Saturday edition of the Lehighton Leader under the caption, "High School Echoes." The items were contributed and edited by duly accredited students, and were designed to acquaint the public with the activities of the Lehighton High School. Lester Krum was editor-in-chief.

In 1927 it was decided to publish a four column, four page school paper. Miss Clara Schatz, a former member of the High School faculty, was the advisor of the proposed venture. A staff of editors and reporters was duly chosen with Ernest Eckhart as editor-in-chief. The first two issues appeared as the "Give Me a Name." As the title suggested a "name wanted," scores of names were promptly suggested, "The Leni Lenapian" being finally chosen; this to commemorate the Leni-Lenapian tribe of Indians who formerly roamed our hills.

Much hard work, and school loyalty aided by funds derived from the Crowell Magazine drive, made the venture a success and 1928 saw a paper "bigger and better" than ever. Franklin Mertz was the editor-in-chief. The first two volumes comprised eight numbers. This year the staff joined the National Scholastic Press Association and the Pennsylvania Scholastic Press Association.

Previously the paper was printed out of town, this year it was printed by the Lehighton Press. Several special editions were published this year, chief among these being the Thanksgiving Day and Christmas numbers. The first of these was of metropolitan newspaper size and the Christmas number was printed on special, tinted paper. The regular paper has grown in size, and has been lenghtened, so that practically a page more of reading matter is used per issue. The paper has also been issued tri-weekly, the third volume thus comprising twelve numbers. Linoleum, "cuts" were also used quite extensively during the year. The "Banner Commencement" number, just off the press, was the "hit" of the year and marked the close of publication for 1930.

Prosperity and success, due to the untiring efforts of the staff of editors and reporters, is the record for the year just closed.

At the beginning of this term Mr. Stofflet became the faculty advisor. Wilmer Held was editor-in-chief. The other members of this year's staff which comprised both Senior and Junior High appears on the following page. In order to facilitate early publication next Fall, the staff has already been organized for next year.

EDITORIAL

SCHOOL PAPERS AND YEAR BOOKS

The value of school publications in educational institutions cannot be estimated. These comprise newspapers, magazines, hand books, and annuals. They are, perhaps, of different degrees of worth and merit, but it is generally agreed that all are helpful. They are conducive to loyalty and enthusiastic endeavor on the part of the student body to advance the interests of the school or college such publications represent.

Lehighton High is proud of its Leni-Lenapian and Year Book. Faculty, students, and alumni, as well as many outside of the school, eagerly look forward to the "publication dates" of its tri-weekly, self-supporting newspaper and its more pretentious annual, "Gachtin Bambil."

The newspaper gives a periodical resumé of school activities, items of personal and general interest, and glimpses of school life, that cannot fail to make its appearance always welcome; while the year book is a record of the term that will be read and reread for years to come.

School Days, when viewed from middle life, are the happiest days of one's existence. Our school publications serve as a record of these "happiest days" and as such are cherished by every "son and daughter" of L. H. S.

FINANCIAL BACKING

No matter what may be your chosen work, there come times when financial backing is necessary.

The best kind of financial backing is a well-filled bank book. It is always ready to work for you, to help you grasp opportunities.

Then the well-filled bank book has a by-product—a good credit standing. The man who is successful in accumulating a reserve fund, who carries a good balance with his bank, is usually regarded as a good credit risk. Thus, he is able to obtain additional financial backing—bank credit.

We invite the accounts of men and women who seek to build up strong financial standing.
